

- Today we are going to learn about 2 D shapes.

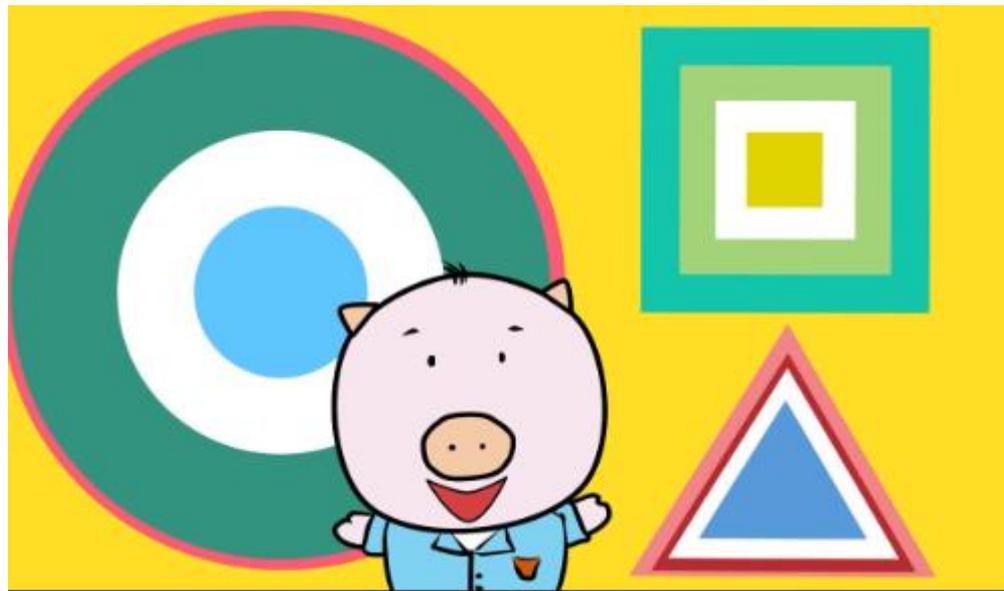

# SHAPES

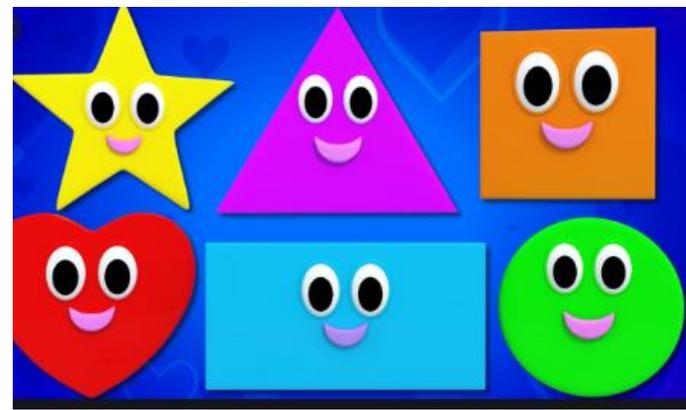

Can you name them?

# SHAPE SONG -sing a long!

<https://www.youtube.com/watch?v=OEBRDtCAFdU>

# Shape Hunt

You could go on a shape hunt with your child. Do you see a circle? Square? Triangle? Rectangle? .....

Read a book about shapes, listen to songs on Youtube about shapes.

Children will then be able to identify and recognize shapes and use words/pictures to describe them.

This will give your a child a sense that they know something important and their shape hunting skills will continue long after the game.

# triangle

What can you see?

I can see a plate of triangle.....?

I can see a triangle road....?

I can see .....?

I can see....?

Now look for triangles around your house.

# rectangle

What do you see  
here?

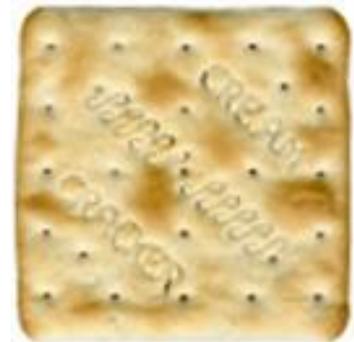

# Square

I see lots of squares.

Talk about them.

Can you find squares around you?

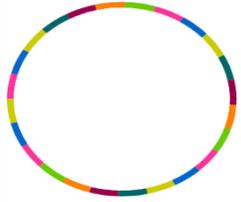

# Circle

This shape  
has a curved  
side. What is  
its name?

Draw things  
you can find

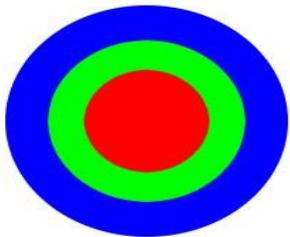

# 2D shapes

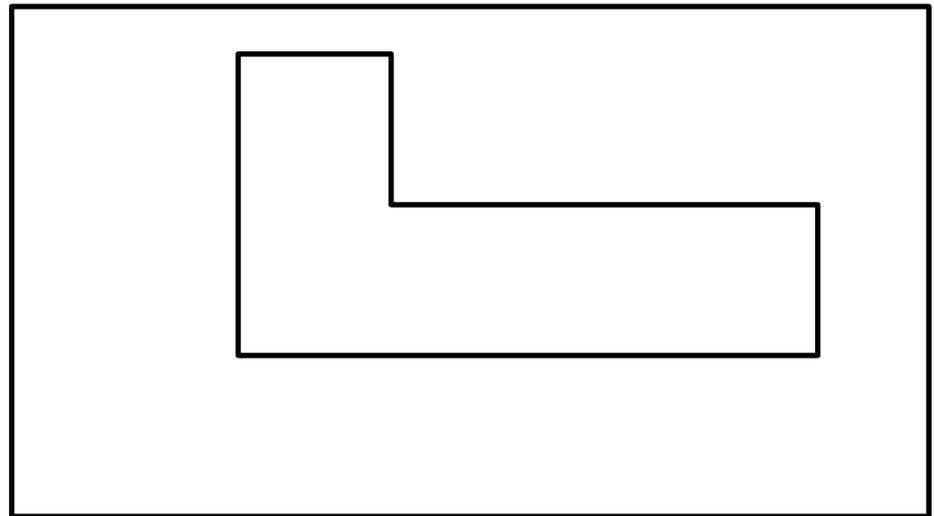

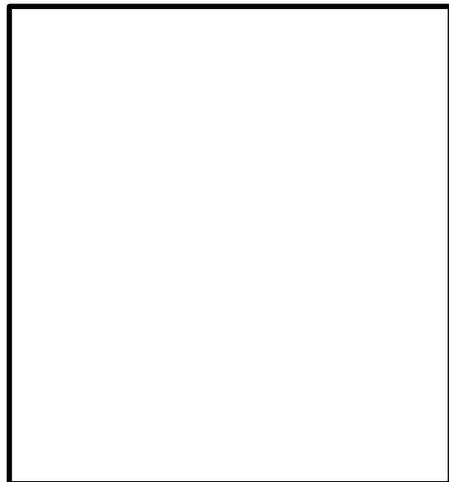

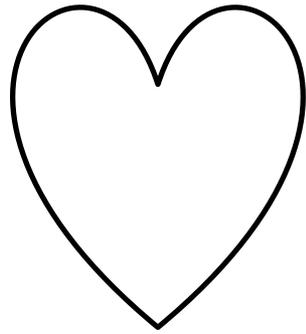

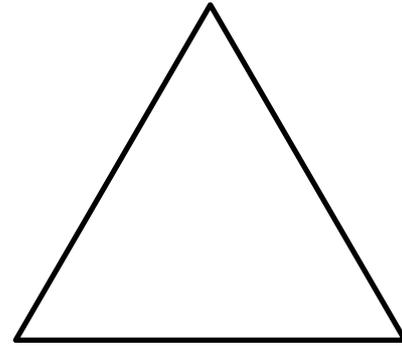

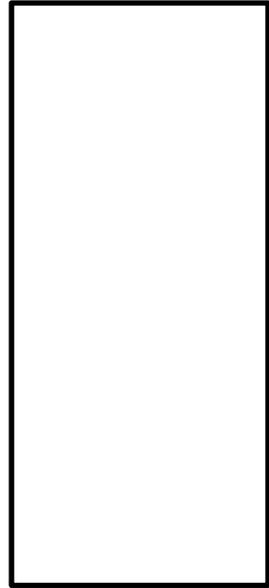

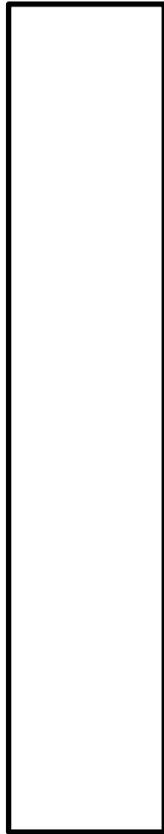

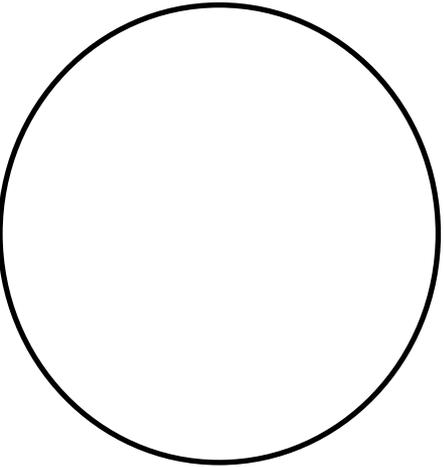

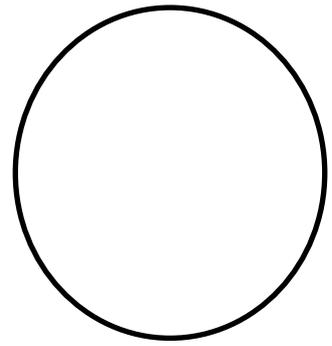

Using plates, cups, cans .....  
as stencils, draw, colour and  
cut out circles and make a  
circle picture.

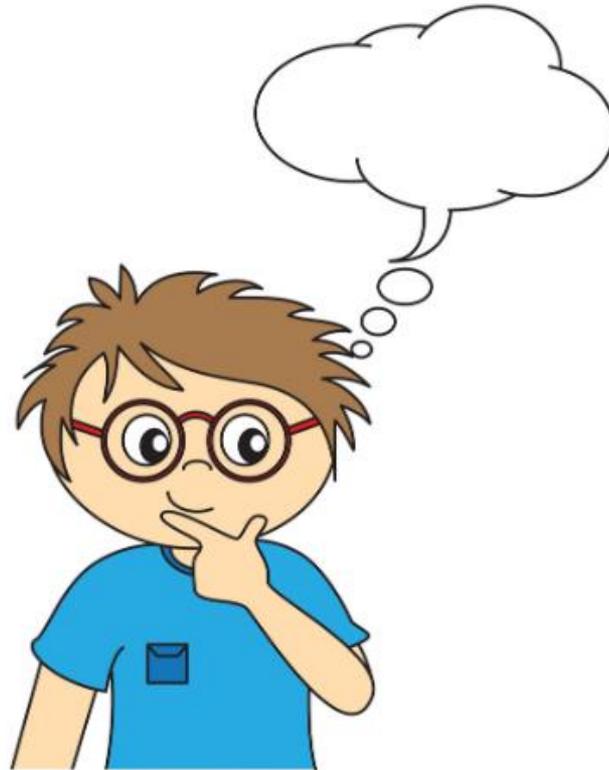

# 2D Shapes- What kind of transport can you make with shapes

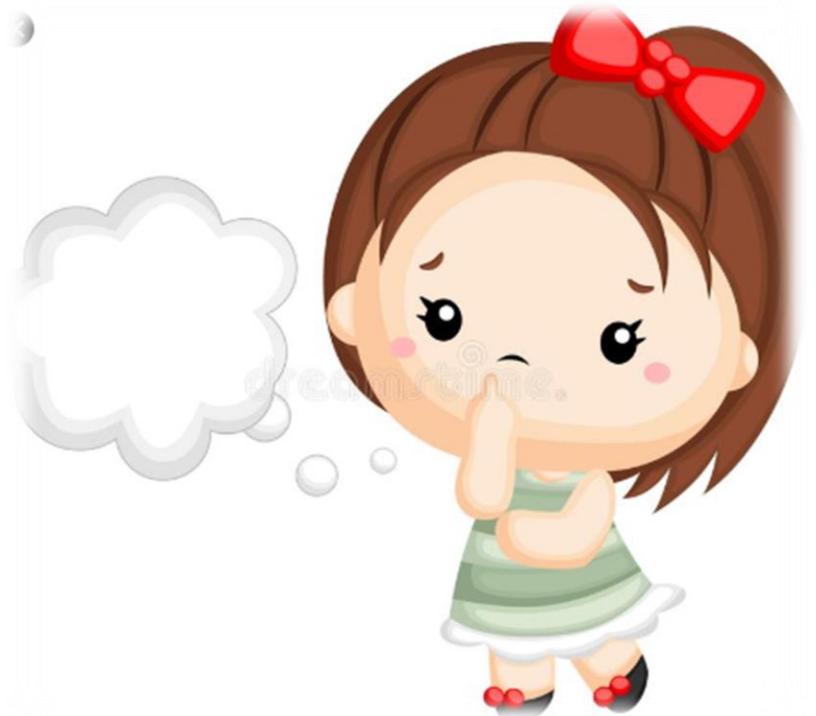

# Quiz Time

- I'm thinking of a shape. My shape has a curved side. What is my shape?
