2. Draw or create your favourite flower and label it.

Task 5

Have some fun in your garden/ outside

You can use whatever you get your hands on: sand, plant pots, trowels, soil, water your garden, role play going to a garden centre etc...

Get planting!!

Let's see what teacher used to plant seeds in her garden.....

Find an apple
in your kitchen

Eat your apple

Look inside, there are
seeds!

Finish eating and
pick out the seeds

Find a pot/box
and some soil

Put the soil into your pot

Fill that pot with soil

The pot is full of soil

Get your apple seeds

Pop the apple seeds into your pot

Push the seeds into the soil (Ted making sure I'm doing it right)

Congratulations!! You have planted apple seeds

Can you create an apple tree?

Congratulations!!!

You have completed your work for this week.
You know lots of things about the garden.
