Make Playdough at home again!

You will need it for finger activities later!

Playdough Recipe

What you need:

- 1 cup plain flour
- $\frac{1}{4}$ cup salt
- 1 tablespoon cooking oil
- A few drops of food colouring
- $\frac{1}{2}$ cup water

What you need to do:

1. Mix the flour and salt together in a large bowl.
2. Make a well in the centre of the dry ingredients and pour in the oil.
3. Add a few drops of food colouring to the $\frac{1}{2}$ cup water and mix to combine.
4. Add the coloured liquid, a little at a time, to the flour and oil.
5. Knead until the mixture is smooth and has the consistency of scone dough. If the mixture is too dry, add more water. Likewise, if the mixture is too sticky, add more flour.
