# Art

Each art idea can be done over the week. It does not need to be done in one go. Take your time with your child, play some music and enjoy!

Don't stress if you haven't a lot of art supplies, art can be done using found objects.

# Lesson 1: The Farm

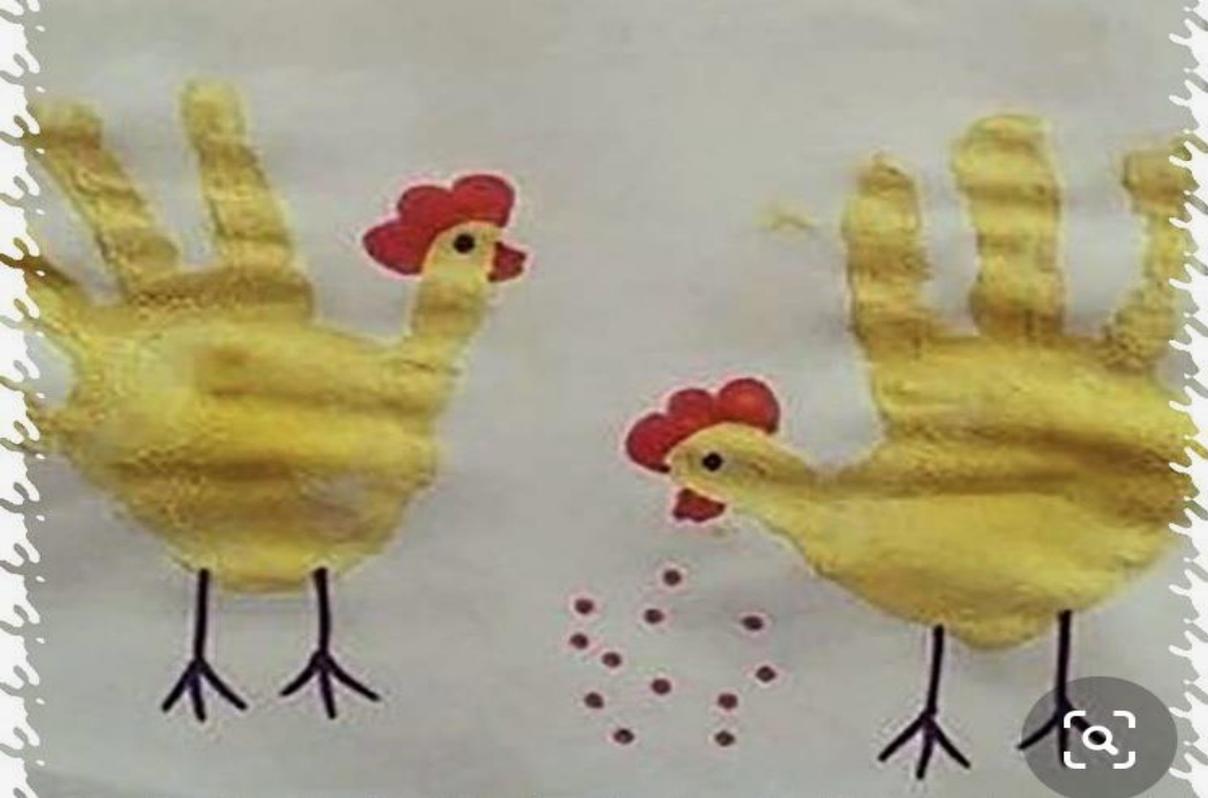

You have been learning all about farm animals this week so let's make some!

I have given some options of Farm Animals you can make depending on what resources you have at home.

Option 1: If you have paint at home you might fancy making some handprint animals.

Option 2: If you have paper and scissors you could try some shape art.

# Lesson 2: Thank You to the Front Line Workers

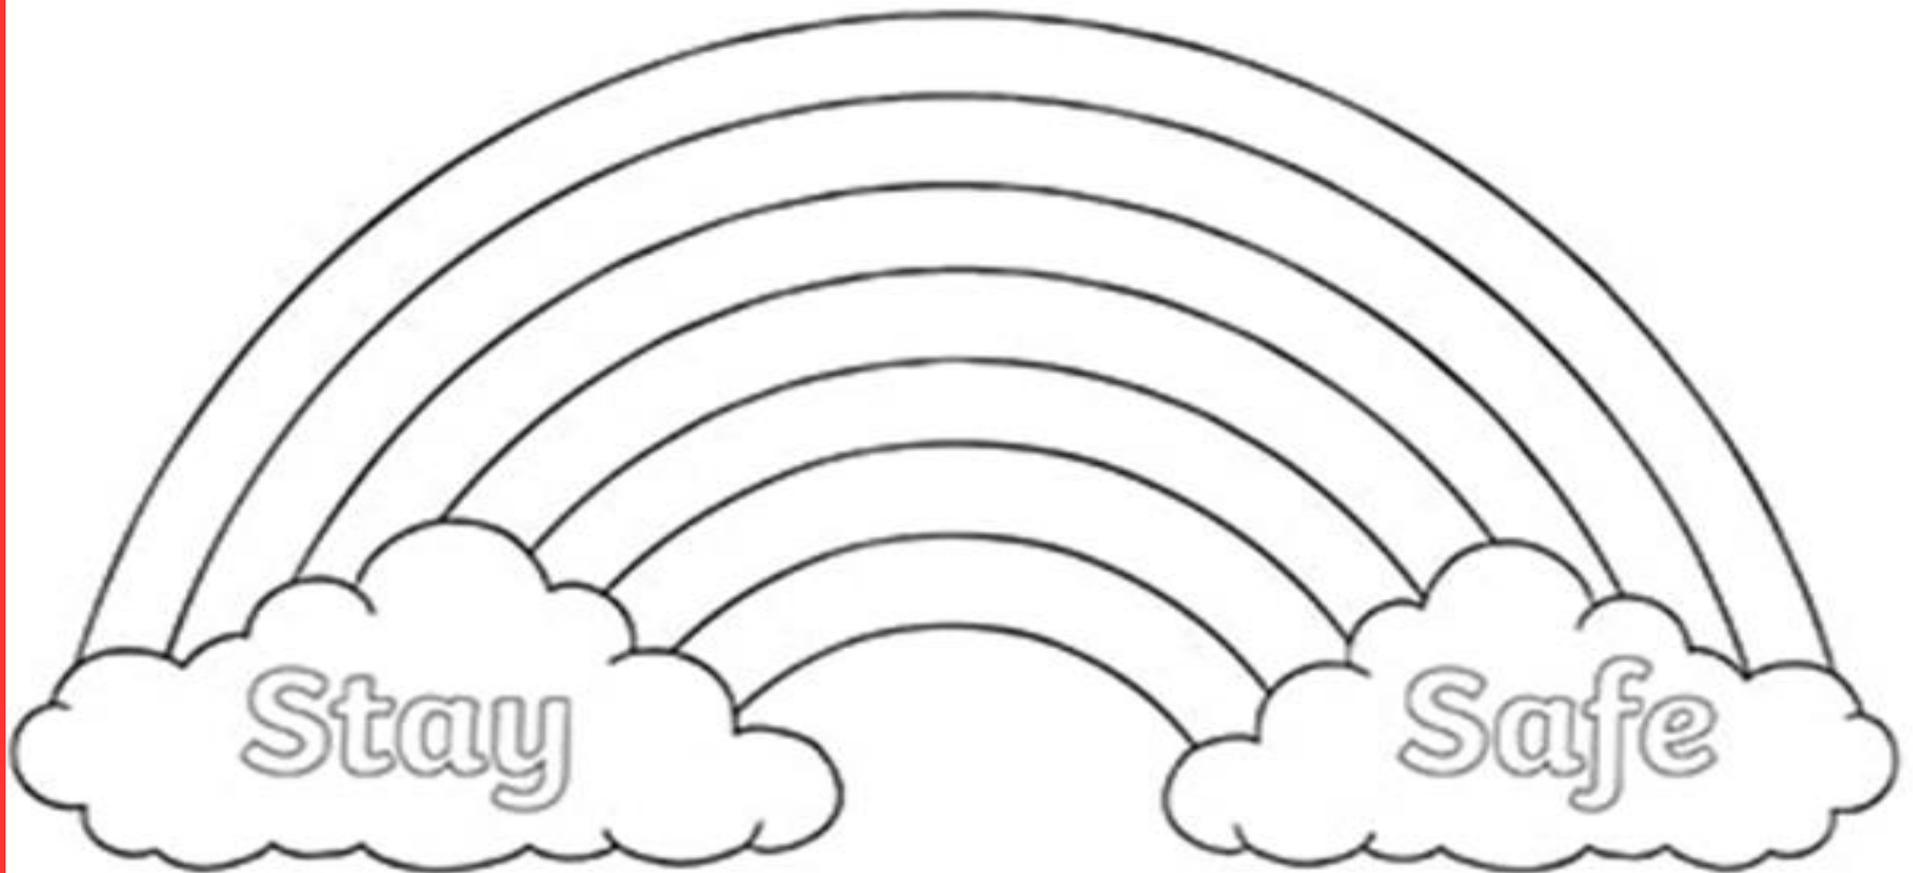

While we are staying at home a lot of people are working hard to help us. Can you name all the people who are on the front lines helping us?

Rainbow pictures are being made around the world, this is a nice way to say thank you. All you need is a page and some colours! If you have coloured paper you could make a collage or if you have paint and colouring pencils you can colour the rainbow it is up to you.

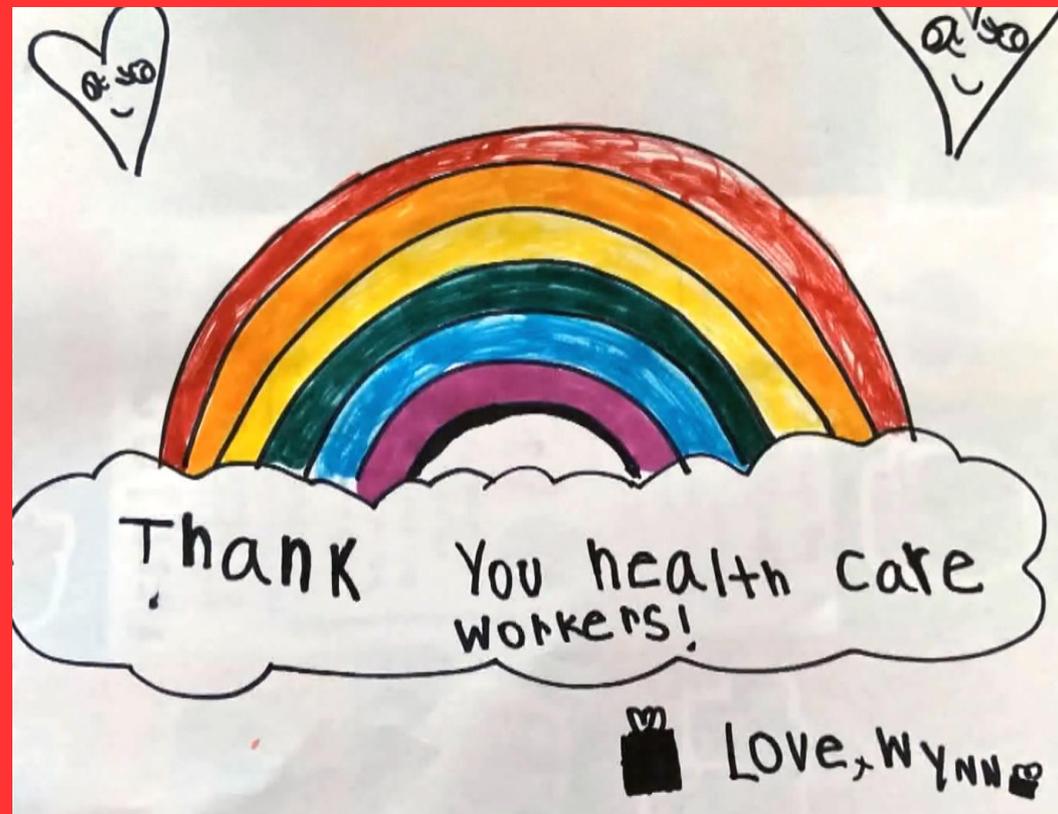

THANK YOU

Here is a template you can use. Before you start can you name all the colours in the rainbow?

They are red,  
orange, yellow,  
green, blue, indigo  
and violet

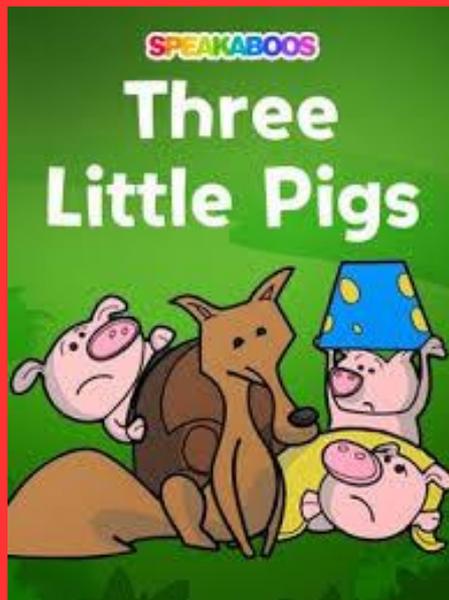

You can even put them in your window to spread the positivity.

# Music

Revise the story The Three Little Pigs through song with Debbie and Friends – great fun make sure you join in!
